EDUCATION

CODE BY COMTRADE

JavaScript developer course 2018-2019

UNIVERSITY OF BELGRADE, FACULTY OF BIOLOGY

Master of Science in Biology 2014

OBJECTIVE

My goal is to become a Full stack Web Developer. JavaScript is my language of choice, React is my passion. I just love coding. It keeps me interested, I always have something new to learn, do or explore.

I am eager to work with and meet new people, exchange knowledge and opinions, acquire new skills and learn new tricks and techniques so I can evolve constantly on professional and personal level.

PROFILE

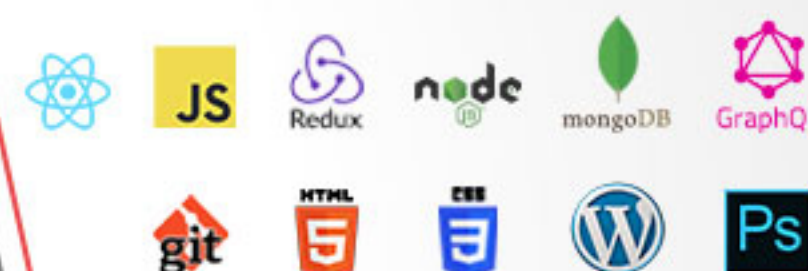

Highly organized, passionate and driven. I enjoy games and puzzles. I am a problem solver, so naturally I like a good challenge

SKILLS

MY SKILLS ARE EVERGROWING

EXPERIENCE

FREELANCE WEB DEVELOPER

2018 - PRESENT

My previous work experience consists of freelance web development in Wordpress. While attending a JavaScript course I fell in love with React. I have a couple of non-commercial projects behind me.

INTERN @COMTRADE

MAY 2019 - JUNE 2019

After a successful completion of the JavaScript course at Comtrade (Code Academy), I have been selected for a month long internship to acquire more practical knowledge in sphere of Web development and team work.
